## Carron Primary PTA Almond Valley Family Card

We are continuing with our corporate card for the Almond Valley Heritage Centre in Livingston, which is available for use by all Carron Primary School family and friends.

Almond Valley is a Family Fun Park. For information on their up to date activities you can access their website via <http://www.almondvalley.co.uk>

To use the card we will charge £10 per family for a day. This allows entrance to Almond Valley for up to 2 adults and 6 children/concessions. The card can be used any day including weekends, holidays and special events.

### **Terms and conditions of booking:**

- Text your name, contact details and preferred date to our PTA number 07756 864905. Please note bookings **cannot** be made through Facebook/Twitter.
- The PTA parent volunteer holding the diary will get back to you to confirm if chosen date is available and arrange details for collection and drop off of the card with you.
- Bookings can be made in advance for any weekend/holiday period.
- Payment of £10 should be made to the PTA parent volunteer on **collection of the card.**
- Collection is between **6pm and 7pm** the evening before your visit.
- Drop off is between **5pm and 6pm** on the day of your visit. This will ensure the card is returned in time for the next family to use.
- Any family taking the card agrees to return the card by the agreed time and if lost a replacement cost will incur.
- **Any cancellations within 24 hours** of collection will still require the **£10 charge to be paid.**

This is due to previous issues with late cancellations and has been agreed with the school management team. As you can appreciate at busy holiday periods cancellations mean a loss of funds and potentially other families missing out.

**Please note** it is PTA parent volunteers who take turns in being responsible for the booking process and the card collection and drop off. This involves a great deal of commitment from these parents so we ask you follow the collection and drop off times, being considerate for the parent volunteers and also for the families expecting to collect the card. Volunteers will **not** be able to deliver the card, you must be able to collect.

We hope that as many families as possible take up this offer, as the more family days out that are booked the more money can be raised for the school. Once the initial card cost has been covered all further proceeds go into the PTA funds to be used on school activities.

If you have any questions please contact us on the PTA mobile number detailed above or through our FaceBook or Twitter page.

Thank you for your support.
